Accommodation Bookings Opening Soon for Glasgow 2024

Glasgow 2024 is delighted to announce that its accommodation booking service will be opening to all members from Monday, 22nd January. Booking for our hotel blocks will be through our accommodation partner, the Glasgow Convention Bureau.

We have 800 rooms reserved across 7 on-site hotels and a further 1,000 rooms reserved at 26 further hotels, ranging from budget price to 5* in the City Centre (within 2 miles of SEC). These have been selected from no less than 9,500 hotel bedrooms located within 2 miles of the SEC site. Members wishing to make alternative arrangements can also choose from 2,000 AirBnB rooms and 1,200 Guesthouse/Bed & Breakfast rooms in the city.

Information on our accommodation options and booking process can be found on [our website](#). We will also be sending information to convention members by email prior to the booking service opening.

The booking service will only be available to convention members with a WSFS membership (all physically attending adults and young adults, plus WSFS members) to ensure that our preferential room rates can only be taken up by Glasgow 2024 attendees. Rooms will be available on a first-come, first-served basis. The Glasgow Convention Bureau will be able to help with extending stays for members who intend to take longer to enjoy Glasgow and the surrounding area. The Bureau can also liaise with the hotels if you have any specific requirements or questions.

Our hotel blocks include an amount of accessible accommodation: rooms set aside for members with accessibility needs. These rooms are being allocated through separate booking arrangements with the support of our accessibility team, who can be contacted at accessibility@glasgow2024.org.

For queries relating to specific bookings, please contact the Glasgow Convention Bureau at accommodation@glasgowconventionbureau.com.

For general information or to contact the convention's facilities team, please contact us at facilities@glasgow2024.org.
