Be Aware!

The SEC is required by law to be very strict about room capacity and crowds that may impair everyone's ability to exit in case of an emergency.

Meeting rooms and the exhibition halls will have SEC stewards at the entrances. They will be in a uniform, with a white shirt and blue and red striped tie, with or without a blue jacket or cardigan.

Be Aware! (2)

Please keep in mind the following:

- Standing in the back of a meeting room is not allowed unless a steward has given permission.
- If an event is labelled as being for those 18 or over, the steward may request proof of age if there is any question. Even if accompanied by a parent, those under 18 will not be admitted.
- Do not linger in the doorway to see if a panel is interesting. Please move into the room and find a seat. The steward at the door will remind you to please take a seat.
- If the steward says the room is full, please find another event to attend.
- If a steward asks you to move along, please do so promptly, as you may be creating a choke point in the traffic flow.

Be Aware! (short version)

Don't overcrowd the rooms.

Please cooperate with the SEC stewards if they ask you to move.

Be sensible.

Get there as early as you can! Even panellists are being turned away.
